

Small Animal I.V. Set One Time Purchases

Arm Strap With Shoe

Reorder No. SH9200

Blue carrying strap designed for comfort and convenience. It permits one person to carry or walk a patient, along with the fluids, the Flex-coil® Swivel set, and I.V. tubing, while the patient continues to receive I.V. therapy. Shoe has an attached "D" ring with a Velcro-backed strap that can be detached from the arm strap to temporarily hang the fluids, the Flex-coil® Swivel device and tubing in another area. The arm strap is a must to improve hospital efficiency.
